Registration Form for 6th Sky Photo Trip

21st – 23rd March, 2014 at Majkhali, Uttarakhand.

Cancellations & Refunds:

- ⌘ Cancellation before **1st March 2014** will attract a 10% handling charge.
- ⌘ Cancellation on or after **1st March 2014** will attract a 25% handling charge.
- ⌘ In case of cancellation on or after **11th March 2014**, no refund is possible.
- ⌘ Reimbursement, refund of fee or rescheduling of the workshop is not possible in case of bad weather, clouds, rain or any other natural cause beyond our control, because of which we are not able to conduct the practical sessions.
- ⌘ Sky Photo Trip is a package, no partial refund is possible in case of services not used.
- ⌘ Joining the discussions in the yahoo group signifies participants' start of workshop. Registration is not transferrable to another person thereafter.

Terms and Conditions:

- ⌘ We reserve the right to cancel or modify any session in the Sky Photo Trip. No compensation or partial refunds will be made for any change. However if the entire workshop is cancelled, by reason of too few registered participants, full refund of the participation fee will be made. However, you will not be entitled to make any further claim for any injury, loss, expenses, travel expenses, cancellation of tickets or damage (either direct or consequential) or for any loss of time, or inconvenience which may result from such cancellation.
- ⌘ We will provide enough security as per standard norms at the venue, however you are expected to take care of all your personal, valuable belongings. You will be fully responsible for allowing any use of your personal equipments to any other participant in the workshop. We will not be responsible for any loss or damage to your equipment arising due to theft, negligence or any other cause.
- ⌘ During the workshop & astrophotography sessions, you will be handed over all equipment such as telescopes, mounts, camera and the accessories. You will be given a list of all equipment that you are supposed to handle. Ensure that all the equipments are at its designated place before the session starts. It will be your responsibility to return the same in good and working condition after completion of your astrophotography session. You will be responsible to make good any loss / damage to any equipment during the time it was under your control. A fair amount will be decided for the value of the loss. Our decision in this matter will be final and no other claims will be entertained.
- ⌘ Participants of Earth & Sky Photography are supposed to carry their own equipment for photography e.g. Digital SLR camera, wide angle lenses, stable tripod, remote timer (intervalometer), battery, extra batteries, USB cord, Laptop (optional). Participants of Deep Sky Photography need to carry a virus free hard disk with about 200 gb free space.

I confirm that I have carefully read 'What's included' & 'What's not included' in the Sky Photo Trip being organised by Aperture Telescopes from 21– 23 March, 2014 at Majkhali, Ranikhet. I agree to the cancellation & refunds policy as outlined above as well as all the terms and conditions of the Sky Photo Trip.
