

Learn Astrophotography in Himalayas

Majkhali is a small Himalayan Village. It is a fantastic place for astrophotography, rare Zodiacal Light can be seen every clear day at dusk or dawn. These images are from the clear skies of Majkhali. A unique astrophotography workshop is held here. It is called Sky Photo Trip, now in its 8th edition.

Sky Photo Trip - 8,
March 20-22, 2015, Fri - Sun,
All astrophotography equipment is provided.
